D. Synergistic Activities

- Professional service – I have reviewed manuscripts for *Molecular Biology and Evolution*.
- Software – My software for studying interlocus gene conversion is freely available at https://github.com/xji3/JGT_MBE_2016
- Outreach – I served as treasurer on the ASSIST⁴ student leadership council in 2012 and 2013. I participated in the Magnet Fair at South Raleigh Magnet High School as an ASSIST center graduate representative in 2012.
